Dear Harold:

Just got back from a few days in New York, and terribly busy, but must take a moment out to tell you to take your time on the Bata story, as we had to push it back a month on our schedule, to get all pictures, etc., that we want.

So instead of having it in a week from today, two or three weeks from today (but not later) would be sufficient, and perhaps you'd get more time to follow up any interesting angles.

Best regards,

Don Martin
